

## ILLINOIS WILLOWS

### Seasonal Bouquet CSA - 2020

We would like to extend to you an invitation to be part of a local farm fresh cut flower Community Supported Agriculture program for the 2020 season.

CSA: Community Supported Agriculture, the idea that a family or an individual become a 'member' of our farm for that growing season. A share of the farm is purchased at the start of the season to help Mr. Willows buy supplies like seeds, plugs (starter plants), bulbs, pre-season labor, plant materials, etc.

Our selection will vary from week to week as the season progresses, each bouquet will have a variety of flowers. The bouquets will already be arranged in a vase so you will have no need to arrange them yourself. Let us do the work for you. Just bring back the previous empty vase when you pick up your new bouquet. If forgotten, a small fee will be required. An email newsletter will give the varieties of the flowers and any special additional information related to the care and handling for that week's bouquet. Every other week a bouquet will be delivered to a location near you.

You will receive a large, farm fresh bouquet every other week from June 6 – October 24 which is 11 weeks of beautiful flowers arranged in a vase for you.

Dates are 2020 season:

June 6    July 4    August 1    September 12    October 10

June 20    July 18    August 15    September 26    October 24

August 29

If at any time, you need to change a pick-up date i.e. vacation, etc. prior notification to Illinois Willows, via email or phone call. Two changes permitted per season.

- Payments for shares are due prior to Friday May 23, 2020.

Some of our flowers this year for the CSA will be, but not limited to are the following:

Amaranth	Lily	Solidago	Broom Corn	Ageratum	Grasses
Zinnia	Asters	Hydrangea	Yarrow	Bittersweet	Curly Willow
Butterfly Weed	Celosia	Lisianthus	Orn. Pepper	Q.A.L.	
Snapdragon	Dahlia	Daisy	Larkspur	Gomphrena	Dianthus
